“Martindale-Hubbell is the facilitator of a peer review process that rates lawyers. Ratings reflect the confidential opinions of members of the Bar and the Judiciary. Martindale-Hubbell ratings fall into two categories - legal ability and general ethical standards.

Legal Ability Ratings are:

C - Good to High

B - High to Very High

A - Very High to Preeminent

There is one general ethical standard rating - “V” or “very high” - and an attorney must receive it in order to be rated.”
